Multiplied coverage and increasing protection value over time

Boost your coverage by 200%, 300% or more – there is no limit to the multiplier factor³ with our optional multiplier riders, which can provide coverage up to age 100. Your protection value also increases over time as the two base plans provide non-guaranteed bonuses that accumulate with each policy year.

Comprehensive protection with greater assurance

Get additional payouts for medical conditions covered under the Special Benefit, Senior Benefit or Benign Tumour Benefit⁴. You can also customise your protection to be continued even after a full claim is made⁵ for the Early or Intermediate Stage of Critical Illness. If your child is the insured, he/she will be covered under the Juvenile Benefit up to age 18.
