Get the peace of mind you deserve, with 100% capital guarantee from as early as the end of the 15th policy year and reap the benefits of multiplied returns.

Key Benefits

Enjoy multiplied returns of up to 7X or more

Get maximised returns on your total annual premiums paid¹ to meet your changing life goals and lifestyle needs.

Your choice to accumulate or withdraw your cash value

Choose how you want to accumulate or withdraw your cash value⁵ on your own terms, and select your desired premium payment terms (5, 10 and 15 years) to suit your budget.

For greater assurance, you can enhance your protection with selected Premium Waiver riders supported with retrenchment benefits.

Be assured with 100% capital guarantee

Depending on the selected premium payment term, you can receive 100% capital guarantee⁶ from as early as the end of the 15th policy year.

¹ Potential returns are not guaranteed and are dependent on entry age, premium payment term and policy year when the plan terminates. The illustrated investment rate of returns is shown in the policy illustration. The actual benefits payable may vary according to the future performance of the participating fund.

² The company will pay the higher of the following in one lump sum, less any debt:

- (a) 110% of the total standard annual premium paid; or
- (b) the guaranteed surrender value, plus bonuses (if any).

³ Coverage for Presumptive Total and Permanent Disability (TPD) is for the whole of the policy term, while coverage for other forms of TPD is up till the policy anniversary on which the life assured is age 65. Presumptive TPD refers to a state of incapacity which is total and permanent and takes the form of total and irrecoverable loss of:

- (a) the sight in both eyes; or
- (b) the use of two limbs at or above the wrist or ankle; or
- (c) the sight in one eye and the use of one limb at or above the wrist or ankle.

Please refer to the product summary for details on other forms of TPD.

⁴ This plan matures on the policy anniversary on which the life assured, named as at the inception of the policy, is age 120.

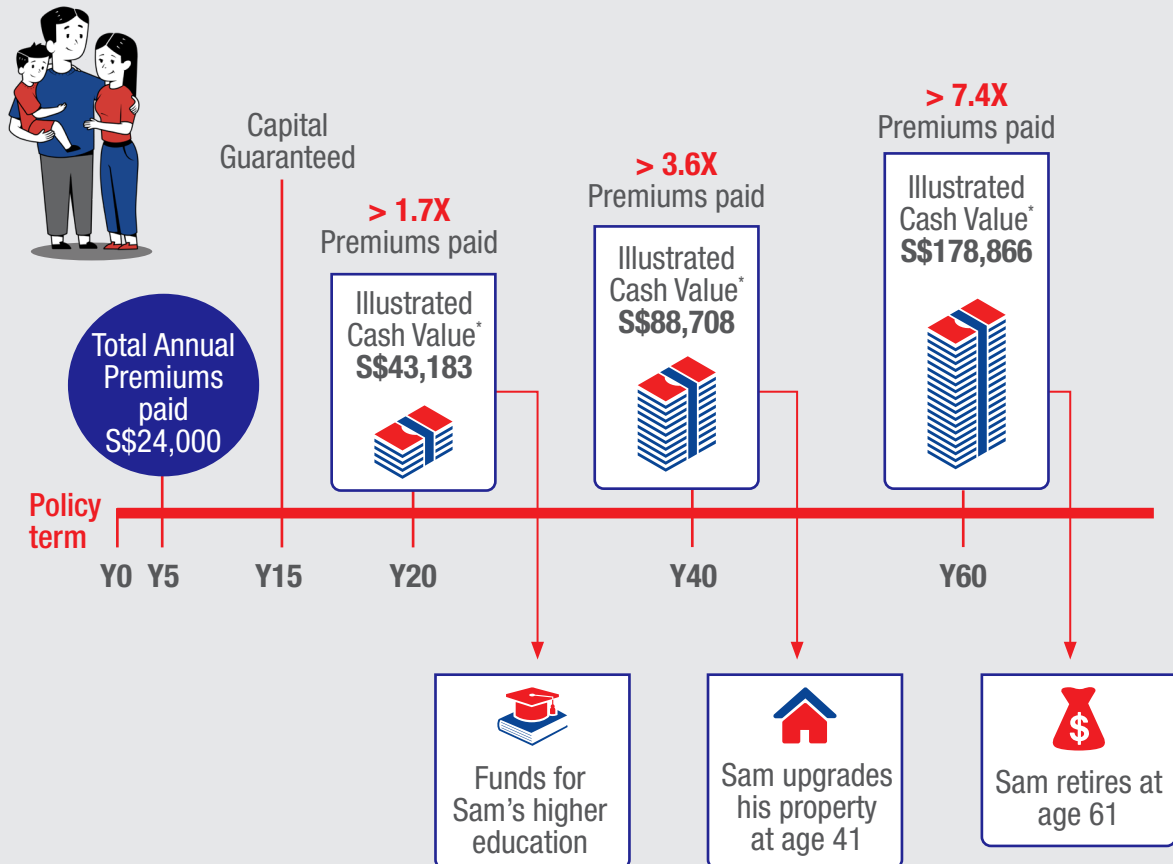

⁵ Partial withdrawal will reduce the value of the basic sum assured. The policy will terminate upon full surrender of the policy.

⁶ Capital is guaranteed after 15 policy years for 5-pay and 10-pay. Capital is guaranteed after 20 policy years for 15-pay.

How GREAT Wealth Multiplier II works

As a parent, your child's financial security and future are your key priorities. See how you can grow your wealth and enjoy the various options available to you at significant milestones along your savings journey.

Josh, aged 35, a non-smoker, purchases a GREAT Wealth Multiplier II plan for his newborn son, Sam. He pays an annual premium of S\$4,800 over a premium payment term of 5 years.

* The figure comprises guaranteed and non-guaranteed benefits. The non-guaranteed benefits are illustrated based on the illustrated investment rate of return (IIRR) of the participating fund at 4.25% p.a.. Based on IIRR of 3% p.a., the total surrender value at the end of year 20, 40 and 60 are S\$34,416 (>1.4X of premiums paid), S\$58,172 (>2.4X of premiums paid) and S\$106,355 (>4.4X of premiums paid) respectively. The actual benefits payable may vary according to the future performance of the participating fund.
