Benefits

Death benefit

We will pay the sum assured in one lump sum, if the life assured dies.

Total and Permanent Disability (TPD) benefit

We will pay the death benefit if the life assured suffers from total and permanent disability (TPD) before the policy anniversary on which his age next birthday is 65 years. The policy will then end.

The disability is total and permanent only if:

- (a) The life assured, due to accident or sickness, is disabled to such an extent as to be rendered totally unable to engage in any occupation, business or activity for income, remuneration or profit; and the disability must continue uninterrupted for at least 6 consecutive months from the time when the disability started; and the disability must, in the view of a medical examiner appointed by us, be deemed permanent with no possibility of improvement in the foreseeable future; or
- (b) The life assured, due to accident or sickness, suffers total and irrecoverable loss of use of:
 - (i) the entire sight in both eyes; or
 - (ii) any two limbs at or above the wrist or ankle; or
 - (iii) the entire sight in one eye and any one limb at or above the wrist or ankle.

The most we will pay in TPD benefit for all policies and riders we have issued for each life assured is S\$5,000,000.

Terminal illness benefit

We will pay the death benefit in one lump sum on a definite diagnosis of an illness that is expected to result in the life assured's death within 12 months. The policy will then end.

We require this diagnosis to be supported by a registered medical practitioner and when we require, to be confirmed by our appointed medical practitioner.

Renewal Privilege (Applicable only to DIRECT – Great 5yr Term)

This policy is renewable for the same sum assured at the time of expiry date or any subsequent expiry date but not later than the policy anniversary on which the life assured's age is 80 next birthday. The term of such renewal is 5 years. The revised premium payable upon renewal is not guaranteed and will be based on the same class of rating and factors including:

- (a) the attained age of the life assured at each renewal date; and
- (b) the occupation of the life assured at each renewal date.

When will you not receive the benefits of this plan?

Benefits of this plan are not payable under certain conditions. These conditions are stated in the policy contract. The categories of exclusions that are common to all life insurers relate to:

- Suicide within one year (for Death benefit)
- Self-inflicted injury (for TPD benefit)

In addition to the above common categories of exclusions, all the exclusions for this plan are listed as follows:

- **Death benefit**

We will not pay the benefit if the life assured commits suicide, while sane or insane, within 1 year from the date we issue the policy or from the date of any reinstatement, whichever is later. The policy will be void.

We will refund all the premiums you have paid to you or your legal personal representative if you are both the life assured and policyholder of this policy, regardless whether you have transferred the legal right of this policy to someone else.

- **TPD benefit**

We will not pay any benefit for TPD resulting from:

- (a) self-inflicted injury, while sane or insane;

Will we change your premium rates for this plan?

Risks of this plan

What happens if you surrender the policy early?

If you surrender your policy after the free-look period, you may lose part or all of the premiums paid. This is because the surrender value you receive, if any, that is payable to you may be zero or less than the total premiums paid.
 Buying a new policy may mean we need to reassess the life assured's health and circumstances and may result in higher premiums and/or benefit exclusions due to the age and health status.

What is the worst case scenario if you surrender your policy early?

There will be no protection under this policy if you surrender your policy early.
 As this product has no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely.

What happens if you do not pay your premiums on time?

If you do not pay your premiums on time, your policy will lapse (after 30 days grace period). However, reinstatement of this policy is allowed within 6 months from the lapse date and the usual reinstatement conditions apply.

What happens if your policy lapses?

There will be no protection if your policy lapses.

What are the risks that we will refuse your claim?

The claim must meet the terms as shown in the policy contract before we can approve a claim and these events must not fall under the list of exclusions.

We may reject your claim if the life assured has a pre-existing condition and:

- has not declared it in the proposal form as required for a new policy (if applicable); or
- has not declared it in the reinstatement form as required for a reinstatement (if applicable); or
- has not declared it in the application form as required for an increase in the sum assured (if applicable).

You are advised to read the policy contract for the exact definitions, terms and conditions and full list of exclusions.

What are some of the risks of a non-participating term insurance?

There will be no protection after expiry of your policy.

When your policy expires and if you purchase a new one, underwriting may be required which may result in higher premiums and/or benefit exclusions due to your age and health status at point of re-application.

When will your policy be terminated?

Your policy will terminate on the earliest of the following events:

- when the life assured dies;
- when the TPD benefit is paid out;
- when the life assured is diagnosed with a terminal illness;
- when the policy lapses;
- when the policy expires; or
- when we receive your written request for termination of this policy.

You are advised to read the policy contract for the detailed terms and conditions.

What is the free-look period?

After purchasing a life insurance policy, you have a 14-day free-look period starting from the day you receive your policy documents to review the documents carefully. During this time, if you choose to cancel your policy, we will refund you the premiums you have paid, less any medical fees and other expenses, such as payments for medical check-ups and medical reports, incurred by us.

If your policy document is sent by post, we will assume it has been delivered and received 7 days after the date of posting.

This plan is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC).
