Guaranteed Renewability feature	Available	Not Available

Product Benefits

1. Death Benefit

In the event of death of the life insured while the policy is in-force, the policy sum insured will be payable in a lump sum.

2. Terminal Illness (TI) Benefit

If the life insured is diagnosed with a terminal illness while the policy is in-force, the death benefit will be accelerated in a lump sum.

TI is defined as the conclusive diagnosis of an illness that is expected to result in the death of the life insured within 12 months. This diagnosis must be supported by a medical examiner and confirmed by our appointed medical examiner. TI in the presence of Human Immunodeficiency Virus (HIV) infection is excluded.

The maximum which we will pay for TI and critical illness claim(s) in total (aggregating all policies which we are liable for on the same life) is S\$2 million. The maximum which we will pay for TI claim(s) (aggregating all policies which we are liable for on the same life) is S\$1 million. The policy will remain in-force for death benefit if the policy sum insured is not fully paid following the TI claim.

3. Conversion Privilege

The policy may be converted, partially or fully, without evidence of health, to any available regular premium life insurance plan (whole life, endowment or investment-linked). This policy can be converted at any time while this policy is in-force and before the policy anniversary immediately following the 65th birthday of the life insured.

If this policy is issued on a non-standard term, the premium for the new plan will also be issued on a non-standard term. Conversion is subject to, including but not limited to, the following conditions:

- (a) The guaranteed death benefit of the new plan must not exceed the sum insured of this policy;
- (b) If the new plan covers benefits other than death and TI, the life insured is subject to medical underwriting for such benefits; and
- (c) The premium rate for the new plan will be based on the attained age of the life insured at the time of conversion.

This conversion privilege is not applicable to any supplementary benefit of this policy, unless it is specifically stated by us. This policy together with all its supplementary benefit will terminate upon full conversion to another insurance plan.

4. Quit Smoking Incentive (QSI) (Applicable to 'Level and Convertible' plan only)

This QSI feature allows a smoker to enjoy non-smoker premium rate for the first 3 policy years. If by the 3rd policy anniversary, the life insured provides satisfactory evidence of having quit smoking, the smoking status will be converted to a non-smoker status and future premiums will be charged based on non-smoker status. If the life insured is unable to provide evidence to us, future premiums will be charged based on smoker status.

To change from a smoker to non-smoker status under the QSI feature the life insured must:

- (a) submit a completed tobacco use questionnaire; and
 - (b) go for a micro-urinalysis test and/or other medical tests (where necessary at Our discretion).
- For successful cases, we will reimburse the cost of the micro-urinalysis test.

This QSI feature is only available if the policy sum insured is at least S\$500,000 throughout the first 3 policy years. If the sum insured decreases to below \$500,000, this feature will no longer be available.

5. Guaranteed Renewable (Applicable to 'Renewable and Convertible' plan only)

This policy is guaranteed renewable, without evidence of health, at the end of the policy term for the same duration. This policy will be automatically renewed as long as the policy is in-force and premium is paid by the grace period.

At the last renewal before the expiry of this policy, the renewed term will only be for the remaining years up to the policy anniversary immediately following the 85th birthday of the life insured. The premium upon each renewal is not guaranteed and will be revised based on the attained age of the life insured at the start of each renewal.

The main product conditions

The following are some provisions found in the policy contract. This is only a brief summary and you should read the actual terms and conditions in the policy contract. Please consult your financial adviser representative if you need more explanation.

1. Paying premiums

Premiums are level and guaranteed and you will need to pay them throughout the policy term.

For plan with guaranteed renewability feature, the premium upon each renewal will be revised based on the attained age of the life insured at the start of each renewal. It will stay level and you will need to pay them throughout the renewed term.

2. Death Benefit Exclusion

If the life insured commits suicide within 1 year from the policy issue date or the latest date this policy is reinstated, we will not pay the death benefit and will refund all premiums paid without interest and less any medical or other expenses.

If the Life Insured dies from suicide after 1 year from the policy issue date or the latest date this policy is reinstated, but within one year from the date of any increase in sum insured, we will not pay the increase in sum insured. However, we will still pay the sum insured prior to the request for increase in sum insured.

3. Free Look

You may cancel this policy by writing to us within 14 days after you receive this policy. If you decide to cancel your policy during this period, we will refund your premiums, without interest and less any medical or other expenses, to you. If we send this policy to you by post or email, we will consider it to have been delivered and received by you 7 days after the date of posting or email sent.

4. Termination Clause

This policy will end upon the earliest of the following events:

- (a) our receipt of your notice in writing to end the policy;
- (b) the benefit end date as per stated on the schedule page or endorsement;
- (c) the lapse of this policy;
- (d) the death of the life insured;
- (e) the acceleration of death benefit in full under this policy or any supplementary benefit; or
- (f) this policy is fully converted to another insurance plan.

¹ The Life Insurance Association Singapore (LIA) has standard Definitions for 37 severe-stage Critical Illnesses (Version 2019). These Critical Illnesses fall under Version 2019. You may refer to www.lia.org.sg for the standard Definitions (Version 2019).

* For Angioplasty and Other Invasive Treatment for Coronary Artery, 10% of this supplementary benefit sum insured will be advanced.

The payout for Angioplasty and Other Invasive Treatment for Coronary Artery is payable only once, subject to a maximum amount of S\$25,000 per life, for all policies which we are liable for. After such a claim, the supplementary benefit sum insured will be revised in accordance with the terms set up in the policy contract.

Limits of Compensation

The maximum which we will pay for terminal illness (TI) claim(s) (aggregating all policies which we are liable for on the same life) is S\$1.0 million. Further, the maximum which we will pay for TI and CI claim(s) in total (aggregating all policies which we are liable for on the same life) is S\$2.0 million. The basic policy will remain in-force for death benefit and terminal illness benefit if the basic policy sum insured is not fully accelerated following the CI claim.

2. Serious Illness of a Child Benefit

We are offering an additional payout if the life insured's child is diagnosed with any of the 36 covered CI's listed above. Under this benefit, the payout will be subject to the following limits:

- We will pay a lump sum amount of S\$10,000 per child per policy.
- We will only pay for one CI claim per child per policy.
- The maximum amount claimable under this benefit is S\$20,000 per policy.

If the life insured has multiple policies that cover 'Serious Illness of a Child Benefit' then the maximum payouts under this benefit will be subject to the following limits:

- S\$40,000 for each child regardless of the number of policies held by the life insured

- b) The maximum amount claimable under this benefit is S\$80,000 per family regardless of the number of policies held by the life insured

The child must be at least 30 days old but less than 18 years old as at the date of diagnosis. Only child born by biological parent / legally adopted child are eligible for this benefit. Step-children are not eligible.

3. Guaranteed Renewable (Applicable to Critical Care Enhancer Rider (II) attached to ManuProtect Term (II) (Renewable and Convertible only)

This supplementary benefit is guaranteed renewable, without evidence of health, at the end of the supplementary benefit term for the same duration. This Supplementary Benefit will be automatically renewed as long as the supplementary benefit is in-force and premium is paid by the grace period.

At the last renewal before the expiry of this supplementary benefit, the renewed supplementary benefit term will only be for the remaining years up to the supplementary benefit anniversary immediately following the 85th birthday of the life insured. The premium upon each renewal is not guaranteed and will be revised based on the attained age of the life insured at the start of each renewal.

4. Conversion Privilege

This supplementary benefit may be converted, partially or fully, together with the basic plan, ManuProtect Term (II), to a new plan with accelerating CI benefit, without evidence of health, for a coverage amount not more than this supplementary benefit sum insured.

The conversion may be done at any time while this supplementary benefit is in-force and before the supplementary benefit anniversary immediately following the 65th birthday of the life insured.

The conversion of the basic plan, ManuProtect Term (II), to a new plan will not lead to an automatic conversion of this supplementary benefit. In order to enjoy the CI benefit under the new plan without further underwriting, you must apply for the CI benefit under the new plan.

The guaranteed CI benefit of the new plan must not exceed the sum insured of this supplementary benefit. The feature of the CI benefit under the new plan must be substantially similar (as determined by us) to this supplementary benefit, otherwise the life insured has to be subject to underwriting for the new CI benefit.

The premium rate for the new CI benefit will be based on the attained age of the life insured at the time of the conversion. If this supplementary benefit is issued on a non-standard term, the premium for the new CI benefit will also be issued on a non-standard term.

The main product conditions

The following are some provisions found in the policy contract. This is only a brief summary and you should read the actual terms and conditions in the policy contract. Please consult your financial adviser representative if you need more explanation.

1. Paying premiums

Premiums are payable throughout the supplementary benefit term.

However, premium rates are not guaranteed and may be adjusted based on future experience. We may change the premium rates by giving you 30 days' notice.

For plan with guaranteed renewability feature, the premium upon each renewal will be revised based on the attained age of the life insured at the start of each renewal.

2. Waiting Period

This supplementary benefit will not be payable if:

- (a) Major Cancers is diagnosed;
- (b) Heart Attack of Specified Severity is diagnosed;
- (c) Other Serious Coronary Artery Disease is diagnosed;
- (d) the date of diagnosis of the condition that leads to performance of Coronary Artery By-Pass Surgery; or
- (e) the date of diagnosis of the condition that leads to performance of Angioplasty and Other Invasive Treatment for Coronary Artery;

within 90 days from the issue date of this supplementary benefit, or the most recent date of reinstatement, whichever is later.

If any of the above conditions occurs after 90 days from the later of the issue date or the most recent date of reinstatement, but within 90 days from the date of increase in Sum Insured, we will not pay the benefit corresponding to the increase in Sum Insured. However, we will still pay the benefit corresponding to the original Sum Insured prior to the request for increase in Sum Insured.

3. Exclusions

- (a) This supplementary benefit will not be payable if the life insured or the life insured's child (as the case may be) has been diagnosed with critical illnesses which is caused directly or indirectly, wholly or partly by a condition which existed before the supplementary benefit issue date of the most recent date of reinstatement of this supplementary benefit, whichever is the later, which would have affected our decision to accept your application and for which:
 - (i) presented signs or symptoms which you or the life insured was aware of or should have been aware of, and where the life insured should have sought medical advice or treatment;
 - (ii) treatment, test or investigation was recommended by or received from a medical examiner; orthe life insured has arranged or received medical consultation, test or investigation.
- (b) We will not pay the increase in the CI sum insured if the critical illness of the life insured is caused directly or indirectly, wholly or partly by a condition that existed before the date of increase in CI sum insured, which would have affected our decision to accept your application and for which:
 - (i) presented signs or symptoms which you or the life insured was aware of or should have been aware of, and where the life insured should have sought medical advice or treatment;
 - (ii) treatment, test or investigation was recommended by or received from a medical examiner; or
 - (iii) the life insured has arranged or received medical consultation, test or investigation.

However, we will still pay the benefit corresponding to the original sum insured prior to the request for increase in sum insured.

4. Termination Clause

This supplementary benefit will end on the earliest of the following events:

- (a) the supplementary benefit expiry date;
- (b) the lapse of this supplementary benefit;
- (c) upon our receipt of your notice in writing to end this supplementary benefit;
- (d) the termination, expiry or lapse of the basic policy;
- (e) the full payment of CI benefit;
- (f) we have paid the TI/ CI limit as stated in section 1 of Product Benefits; or
- (g) the basic policy or this supplementary benefit is fully converted to another insurance plan.

The maximum which we will pay for disability claim(s) (aggregating all policies which we are liable for on the same life) is S\$5.0 million. The basic policy will remain in-force for death benefit and terminal illness benefit if the basic policy sum insured is not fully accelerated following the disability claim.

2. Guaranteed Renewable (Applicable to Total and Permanent Disability Plus Rider (II) attached to ManuProtect Term (II) (Renewable and Convertible) only)

This supplementary benefit is guaranteed renewable, without evidence of health, at the end of the supplementary benefit term for the same duration. The supplementary benefit will be automatically renewed as long as the supplementary benefit is in-force and premium is paid by the grace period.

At the last renewal before the expiry of this supplementary benefit, the renewed supplementary benefit term will only be for the remaining years up to the supplementary benefit anniversary immediately following the 85th birthday of the life insured. The premium upon each renewal is not guaranteed and will be revised based on the attained age of the life insured at the start of each renewal.

3. Conversion privilege

This supplementary benefit may be converted, partially or fully, together with the basic plan, ManuProtect Term (II), to a new plan with accelerating TPD benefit, without evidence of health, for a coverage amount not more than this supplementary benefit sum insured.

The conversion may be done at any time while this supplementary benefit is in-force and before the supplementary benefit anniversary immediately following the 65th birthday of the life insured.

The conversion of the basic plan, ManuProtect Term (II), to a new plan will lead to an automatic conversion of this supplementary benefit, if the new plan comes with an embedded TPD benefit. However, if the TPD benefit is available as an optional supplementary benefit under the new plan, you must then apply for the supplementary benefit.

The guaranteed TPD benefit of the new plan must not exceed the sum insured of this supplementary benefit. The feature of the TPD benefit under the new plan must be substantially similar (as determined by us) to this supplementary benefit, otherwise the life insured has to be subject to underwriting for the new TPD Benefit.

The premium rate for the new TPD benefit will be based on the attained age of the life insured at the time of conversion. If this supplementary benefit is issued on a non-standard term, the premium for the new TPD benefit will also be issued on a non-standard term.

The main product conditions

The following are some provisions found in the policy contract. This is only a brief summary and you should read the actual terms and conditions in the policy contract. Please consult your financial adviser representative if you need more explanation.

1. Paying premiums

Premiums are level and guaranteed and you will need to pay them throughout the supplementary benefit term.

For plan with guaranteed renewability feature, the premium upon each renewal will be revised based on the attained age of the life insured at the start of each renewal. It will stay level and you will need to pay them throughout the renewal term.

2. Exclusions

This supplementary benefit will not be payable if:

- (a) any self-inflicted injury or attempt at suicide, while sane or insane;
- (b) the life insured being under the influence of any narcotic, alcohol, gas or fumes, voluntarily taken, administered, absorbed or inhaled or drugs not prescribed by a medical examiner;

- (c) war or any act incident to war, or service in the armed forces / civil defense force supporting any country at war except for peacetime national service duties;
- (d) riot, insurrection, civil commotion, strikes or terrorist activities, except as a victim;
- (e) injuries sustained while travelling on any aerial device or conveyance, except (i) as a fare-paying passenger or a crew member including a pilot on an aircraft licensed for passenger service and operated by a regular airline on a scheduled route, or (ii) an aircraft operated by the Republic of Singapore air force; or
- (f) any pre-existing condition which existed before the date of issue or the date of latest reinstatement of this supplementary benefit, whichever is later, which would have affected our decision to accept your application and for which:
 - (i) presented signs or symptoms which you or the life insured was aware of or should have been aware of, and where the life insured should have sought medical advice or treatment;
 - (ii) treatment, test or investigation was recommended by or received from a medical examiner; or
 - (iii) the life insured has arranged or received medical consultation, test or investigation.

3. Termination Clause

This supplementary benefit will end on the earliest of the following events:

- (a) the supplementary benefit expiry date;
- (b) the termination, expiry or lapse of the basic policy;
- (c) upon our receipt of your notice in writing to end this supplementary benefit;
- (d) the lapse of this supplementary benefit;
