

PRODUCT SUMMARY: PRULifetime Income Premier III (SGD)

This Product Summary and Policy Illustration are for illustrative purposes only and shall not constitute a contract. The following is a simplified description of the key product features. The exact terms can be found in the policy document.

"Your Guide to Participating Policies", which contains generic but important information on how a participating plan typically works and how bonuses are determined in general, is available on our website, www.prudential.com.sg. Alternatively, you may approach a representative of either Prudential Singapore or a distributor duly appointed by Prudential Singapore for a copy of the guide.

Details of Plan Provider:

Prudential Assurance Company Singapore (Pte) Limited ("Prudential Singapore"), 30 Cecil Street, #30-01 Prudential Tower, Singapore 049712. Tel: 1800 - 333 0 333.

Prudential Singapore is responsible for the product features and contractual provisions and these will be explained to you by a representative of either Prudential Singapore or a distributor duly appointed by Prudential Singapore.

This policy and its Supplementary benefit(s) (if any) is/are protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact your insurer or visit the General Insurance Association (GIA) /Life Insurance Association (LIA) or SDIC web-sites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).

The Proposer acknowledges receipt of all the pages of the Product Summary for the Main plan and Supplementary benefits (where applicable). The contents have been explained to his/her satisfaction.

Aggregation rule:

The aggregate premiums payable for selected plans* per life assured issued in the past 24 months cannot exceed S\$10 million (or equivalent). The calculation is based on the total committed premiums of the product (e.g. 10 x annual premium for a 10-year premium term product, or full single premium for a single premium product). US dollar denominated policies will be aggregated after applying an exchange rate of US\$1 to S\$1.40 on the premiums payable. We reserve the right to review/vary this rate.

*Please find the full list of selected plans at www.prudential.com.sg

Nature and Objective of the Plan:

PRULifetime Income Premier III (SGD) is a single premium participating whole life insurance plan. This plan provides financial protection against death for as long as the life assured lives and an accidental disability benefit until the policy anniversary before the life assured turns 70 years old. In addition, it provides a Guaranteed and Non-Guaranteed Yearly Cash Benefit from the 5th policy anniversary and 2nd policy anniversary onwards, respectively. The policy also allows the policy owner to participate in the performance of the participating fund in the form of non-guaranteed bonuses and Cash Benefit.

PRULifetime Income Premier III (SGD) is an 8th series product. The series defines the premium rates and bonus features of the product.

Benefits under the Plan:

What do we pay for Death Benefit?

The Death Benefit will be the higher of:

- (i) 105% of the single premium; or
- (ii) 101% of the surrender value as at the time of death, plus any cash benefit left with us, less any amounts you owe us.

We will deduct any overpaid cash benefit due to the late notification of death.

If the life assured dies from suicide within 12 months from the cover start date of your policy, your policy becomes void, we cancel it and refund the single premium received from you. We will deduct any policy loans (including interest), premium loans (including interests), surgical and nursing loans and all other outstanding amounts you owe us in connection with your policy and expenses (including but not limited to administrative, sales related and medical expenses) we have had to pay for your policy.

If the life assured dies from a pre-existing condition within 12 months from the cover start date of your policy, we will refund the single premium received from you. We will first deduct any policy loans (including interest), premium loans (including interests), surgical and nursing loans and all other amounts you owe us in connection with your policy and expenses (including but not limited to administrative, sales related and medical expenses) we have had to pay for your policy.

A **pre-existing condition** is the existence of any signs or symptoms for which the life assured received or asked for treatment, medication, consultation, advice or diagnosis or would have caused an ordinary sensible person to get treatment, diagnosis or a cure, before the cover start date or date of reinstatement (if any) of this benefit.

The whole policy and all its benefits automatically terminate once we pay a death benefit claim.

What do we pay for accidental disability benefit?

If the life assured becomes totally and permanently disabled because of an accident before the cover end date, the accidental disability benefit will be the higher of:

- (i) 105% of the single premium; or
- (ii) 101% of the surrender value as at the date the life assured was certified to be totally and permanently disabled; plus any cash benefit left with us, less any amounts that you owe us.

The accidental disability benefit will terminate by the Policy Anniversary immediately before the life assured turns 70 years old.

We will deduct any overpaid cash benefit due to the late notification of the accidental disability benefit claim.

We will pay this benefit 6 months after a registered medical practitioner confirms the onset of total and permanent disability (**the deferment period**).

The deferment period does not apply if the life assured suffers:

- total and permanent blindness in both eyes as confirmed by an ophthalmologist;
- the physical loss of any two limbs, each above the wrist or ankle but not just the hands and feet; or
- total and permanent blindness in one eye as confirmed by an ophthalmologist and physical loss of any one limb at or above the wrist or ankle but not just a hand or foot.

We will pay the accidental disability benefit up to SGD2,000,000. If your accidental disability benefit is above SGD2,000,000, we pay the balance sum assured (in other words any amount that is above SGD2,000,000) in a lump sum:

- 12 months from the date of the first lump-sum payment; or
- on the death of the life assured;

whichever happens first.

If the life assured stops being totally and permanently disabled before the balance sum assured is due for payment, we stop payment immediately. In this case, you can still continue your policy for the death benefit. The sum assured will be equal to the balance sum assured (in other words, any amount that is above SGD2,000,000).

We pay if the life assured has an accident and is:

- (i) between the age of 28 days and 15 years is totally and permanently disabled as a result of which they have to stay in a home, hospital or other institution and need constant care and medical attention for at least six months in a row; or
- (ii) between the age of 16 and 65 years old is totally and permanently disabled as a result of which they:

- cannot take part in any occupation, business or activity which pays an income; or
- suffer total and permanent loss of use of:
 - both eyes;
 - any two limbs, each above the wrist or ankle but not just the hands and feet; or
 - one eye and any one limb at or above the wrist or ankle but not just the hand or foot.

For a life assured between the ages of 66 and 70 years old, we pay when the life assured is totally and permanently disabled, as a result of which they:

- (i) suffer total and permanent loss of use of:
 - both eyes;
 - any two limbs, each above the wrist or ankle but not just the hands and feet; or
 - one eye and any one limb at or above the wrist or ankle but not just the hand or foot, or
- (ii) are unable to perform (whether aided or unaided) at least three of the following six activities of daily living for a continuous period of at least six months.

Activities of Daily Living:

- Washing - the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means;
- Dressing - the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances;
- Feeding - the ability to feed oneself once food has been prepared and made available
- Toileting - the ability to use the lavatory or manage bowel and bladder functions so as to maintain a satisfactory level of personal hygiene;
- Mobility - the ability to move indoors from room to room on level surfaces;
- Transferring - the ability to move from a bed to an upright chair or wheelchair and vice versa.

The above is the definition of totally and permanently disabled. The disability must be confirmed by a registered medical practitioner.

We can ask for a medical examination to be carried out by a medical practitioner registered with the Singapore Medical Council if the medical reports you give us are not enough for our purposes.

We will only pay the accidental disability benefit if the accidental disability happens within 12 calendar months from the date of the accident.

A **registered medical practitioner** is any person properly qualified with a degree in western medicine to practice medicine, and is licensed by the appropriate medical authority of the country they live in to practice medicine within the scope of his licensing and training. This cannot be you, the life assured or a family member of either.

An **accident** is an unexpected and involuntary event, which directly causes death or injury by violent, external and visible means and is not linked to any other cause (such as illness or disease of the life assured).

We do not pay if the accidental disability of the life assured arises directly or indirectly out of one of the following.

- If the claim was made when the life assured had already died at the time of the claim. We will pay the Death Benefit instead.
- If the accidental disability happened before the life assured was 28 days old.
- If the accidental disability existed at the cover start date or date of reinstatement (if any) of this benefit.
- From war, riot, revolution or any similar event.
- From terrorism involving nuclear, biological or chemical agents.
- From illnesses or diseases of any kind, including fits, hernia, venereal disease, acquired immunodeficiency syndrome (AIDS) or food poisoning.
- From illnesses or diseases as a result of bites from, or contact with, an animal or insect, if they are infected by, or is a carrier of, illnesses or diseases.
- From a physical or mental condition which existed at the cover start date or date of reinstatement (if any) of this benefit.;
- Accidents arising and due to pregnancy or confinement and related complications.
- Deliberate acts such as taking intoxicating liquor or drugs, committing suicide or attempted suicide or deliberate self injury while sane or insane.
- Unlawful acts or deliberate and reckless exposure to unnecessary danger except in trying to save a human life.
- Any injury suffered while the life assured is committing or is attempting to commit an offence or is resisting arrest.
- Injuries as a result of committing, attempting or provoking an assault.

- From a state of unsound mind.
- Taking part in a dangerous activity or sports unless carried out legally under the supervision of a licensed organisation.
- Taking part in professional or competitive sports if the life assured would or could earn income or pay from doing so.
- Being in an aircraft of any type, or boarding or getting off any aircraft, except as a fare-paying passenger in an aircraft that is on a regular scheduled route operated by a commercial airline.
- Radiation or contamination from radioactivity.
- Racing of all kinds, other than on foot or bicycle.
- Taking part in commando or bomb-disposal duties or training, active military duties such as maintaining civil order, taking part in hostilities, whether war is declared or not, and travel by military aircraft or waterborne vessel. (This exclusion overrides all other terms and conditions relating to military services.)
- An activity under the special exclusions and special terms and conditions shown on your certificate of life assurance.

The whole policy and all its benefits automatically terminate once we have fully paid an accidental disability benefit claim.

What do we pay for cash benefit?

The yearly Cash Benefit is made up of a guaranteed and non-guaranteed portion. It is a percentage of the single premium.

Yearly Cash Benefit for PRULifetime Income Premier III (SGD):

	Guaranteed yearly Cash Benefit	Non-Guaranteed yearly Cash Benefit	
Paid on the Policy Anniversary	5 th onwards	2 nd – 20 th	21 st onwards
Percentage of the Single Premium	1.0%	1.5%	2.5%

The non-guaranteed portion of the yearly Cash Benefit is payable from the second policy anniversary. It is not guaranteed and will vary according to the future experience of the participating fund.

The illustrated non-guaranteed cash benefit in this section is based on the illustrated Investment Rate of Return of the participating fund at 4.25% per annum. The actual non-guaranteed cash benefit that may be declared in the future may turn out to be higher or lower than those illustrated in this section.

You also have the option to leave the cash benefit with us to accumulate in value. Your initial choice is shown on your proposal form.

If you choose to leave the cash benefit with us, we use a yearly interest rate on the Cash Benefit. Interest accrues on a daily basis. On each policy anniversary, we add the previous year's interest to your cash benefit and credit interest on the total amount.

We reserve the right to vary the interest rate but will not do so before giving you 30 days' written notice.

We use your cash benefit and the interest that we have paid into your account to pay any loan and interest (if any) that you owe us under the policy loan or surgical and nursing loan option.

If you have built up some cash benefit with us, you can apply to withdraw at least \$1,000 at any time. If at the time of your application you have less than \$1,000 with us, you must withdraw the whole amount if you decide to proceed with your application.

To apply to withdraw the cash benefit, you must use our appropriate application form and meet the conditions on it. We will notify you if we accept your application.

When there is a death benefit or accidental disability benefit claim, the cash benefit will end.

How does the change of Life Assured benefit works?

You can choose to change the life assured to another life assured only after two years from the cover start date of the policy.

Once the change of life assured is activated:

- you will receive a revised certificate of life assurance with the new life assured's particulars.
- the cover for the original life assured ends and the cover for the new life assured starts on the new cover start date as shown in the revised certificate of life assurance. All rights under the original life assured ends with immediate effect
- the policy will now have a cover end date set at age 110 years based on the original life assured's age
- the Accidental Disability benefit and all supplementary benefits (if any) will end
- there will be a maturity benefit to be paid on the cover end date
- the yearly cash benefit and all benefits will end on the cover end date

The maturity benefit to be paid on the cover end date is the surrender value of the policy as at the cover end date.

Before we pay the benefit we will deduct any policy loans (including interest), surgical and nursing loans and all other amounts you owe us in connection with your policy and expenses (including administrative, sales-related and medical expenses) we have had to pay for your policy.

For a policy owned by an individual, you are allowed to change the life assured only once throughout the policy term.

For a policy owned by a business organisation, you can choose to change the life assured anytime throughout the policy term as long as it is two years after the cover start date of the policy.

This change is allowed only if:

- you show satisfactory proof that you or the business organisation (where it applies) has insurable interest on the new life assured in line with the laws and regulations that apply; and
- the new life assured meets our underwriting requirements;
- the date of birth of the new life assured is not later than the original cover start date of the policy.

To apply, you must use our appropriate application form and meet the conditions on it. We will let you know if we accept your application.

What is surrender value?

This plan acquires an immediate surrender value after we receive your single premium. The guaranteed and non-guaranteed surrender value will be payable upon surrender of the policy.

What is the impact of early surrender?

Buying a life insurance is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value (if any) may be less than the total premiums paid. Please refer to the Table of Deductions in the policy illustration for more information and to understand the loss or low returns on surrendering the plan early.

What are the other features available under PRULifetime Income Premier III (SGD)?

Policy loan and surgical & nursing loan are available. Please note that taking these loans will reduce the long term value of the policy. For policy loan, an annual interest rate will be charged. We reserve the right to vary the interest rate but will not do so before giving you 3 months' written notice.

Please refer to the policy document for the exact terms and conditions of these additional features.

Bonuses:

What type of bonuses?

The benefits under this plan are made up of guaranteed and non-guaranteed benefits. The guaranteed benefits, including bonuses which have already been allocated to the participating policy owners will be paid regardless of the performance of the participating fund. Non-guaranteed benefits are in the form of non-guaranteed cash benefit and performance bonus. The bonus stated below is NOT guaranteed and will vary according to the future experience of the participating fund.

The illustrated bonus rates in this section are based on the illustrated Investment Rate of Return of participating fund at 4.25% per annum. The actual bonuses that may be declared in the future may turn out to be higher or lower than those illustrated in this section.

In comparison, at an illustrated Investment Rate of Return of 3.00% per annum, the non-guaranteed benefits are expected to be adjusted downwards depending on the future outlook of the Participating Fund.

Please refer to the policy illustration for the non-guaranteed benefits amount at the illustrated Investment Rate of Return of 3.00% per annum and 4.25% per annum respectively. The two rates are used purely for illustrative purposes and do not represent upper and lower limits of the investment performance of the Participating Fund.

Performance Bonus:

This is a one-off bonus which may be paid when you surrender your policy. The amount will vary depending on the end date of your policy.

The illustrated performance bonus rates as a percentage of the single premium are as below:

Number of completed years in force	Percentage of Single Premium	Number of completed years in force	Percentage of Single Premium	Number of completed years in force	Percentage of Single Premium	Number of completed years in force	Percentage of Single Premium
0	0%	28	49%	56	133%	84	448%
1	2%	29	52%	57	138%	85	464%
2	2%	30	53%	58	144%	86	481%

24	37%	52	116%	80	385%	108	1128%
25	38%	53	120%	81	402%	109	1180%
26	43%	54	125%	82	417%	110 & Above	1240%
27	47%	55	129%	83	432%		

Non-guaranteed cash benefit:

The non-guaranteed portion of the yearly cash benefit is payable from the second policy anniversary. It is not guaranteed and will vary according to the future experience of the participating fund. The illustrated non-guaranteed yearly cash benefit as a percentage of single premium is as per below:

Paid on the Policy Anniversary	Non-Guaranteed yearly Cash Benefit	
	2 nd – 20 th	21 st onwards
Percentage of the Single Premium	1.5%	2.5%

Future bonuses and non-guaranteed cash benefit which have yet to be allocated to the policy are not guaranteed and the insurer will decide the level of bonus and non-guaranteed cash benefit to be declared each year as approved by the Board of Directors, taking into account the written recommendation by the Appointed Actuary.

How are the assets invested and managed?

Prudential Singapore's participating fund consists of both single and regular premium policies segregated into a few sub-funds. Each sub fund's investments are managed separately to match its liability characteristics. This product is written in the Regular Premium Life Sub-fund ("RPLF"). In the document below, the term "fund" will be referring to RPLF unless stated otherwise.

Investment Objective

The investment objective is to maximise the long-term returns of the fund through investments consistent with policyowners' reasonable expectations, while meeting internal and regulatory solvency requirements. To achieve this, we set a Strategic Asset Allocation ("SAA") for the fund.

Investment Mix

Asset Type	Strategic Asset Allocation	Asset Allocation as at 31 Dec 2021
Bonds	50.0%	59.4%
Equities	29.5%	25.8%
Property	7.5%	7.8%
Other Assets ¹	13.0%	7.0%
Total Assets	100.0%	100.0%

¹ Other assets include alternative assets, cash and policy loans

The Asset Allocation percentages shown in the table have been rounded to the nearest 0.1%, and hence may not sum to exactly 100%.

SAA is the fund's long-term neutral asset allocation to meet the investment objective of the fund as set out above. Fund managers are allowed to deviate from the SAA, but within a mandated limit to take views on the current market conditions.

Investment Rate of Return

For the RPLF, the past investment rates of return (after deducting investment expenses only) are shown in the table below.

	2019	2020	2021	Average of last 3 years	Average of last 5 years	Average of last 10 years
Investment Returns	12.26%	5.65%	5.13%	7.63%	6.19%	6.12%

Please note that past performance may not be indicative of future performance.

Total Expense Ratio

The Total Expense Ratio is the proportion of total expenses incurred by the Participating Fund to the assets of the Participating Fund. These expenses include costs such as investment, management, distribution, taxation and other expenses.

An expected level of expenses to be incurred by the Participating Fund has been allowed for in the premiums payable for your policy and is not an additional cost to you. If the actual level of expenses varies significantly from the expected level of expenses, it may affect the non-guaranteed benefits you may receive.

For our Participating Fund, the past Total Expense Ratios are shown in the table below.

	2019	2020	2021	Average of last 3 years	Average of last 5 years	Average of last 10 years
Total Expense Ratio	2.92%	2.50%	2.67%	2.68%	2.77%	2.86%

Please note that past expense ratios may not be indicative of actual expenses that may be incurred in the future.

Fund Manager

All investment related to this fund is carried out through Eastspring Investments (Singapore) Limited ("Eastspring Singapore"). Eastspring Singapore may also engage other Prudential plc related companies as sub-fund managers.

Eastspring Singapore address: Eastspring Investments (Singapore) Limited, 10 Marina Boulevard #32-01 Marina Bay Financial Centre Tower 2 Singapore 018983.

What are the risks that affect the bonuses and non-guaranteed cash benefits that you will be getting?

The level of bonuses and non-guaranteed cash benefit depends on the actual experience of key factors affecting the performance of the fund and the future outlook of these key factors affecting the future performance of the fund. These key factors are:

- Investment performance and future investment outlook of the fund;
- Claims experience, with respect to death ("mortality") and accidental disability experience of the fund;
- Discontinuance ("surrender") experience of the fund;
- Level of expenses incurred by or allocated to the fund

There may be other factors that could affect the bonus and non-guaranteed cash benefit levels, for example, changes in taxation and legislation.

How are the risks shared?

Your policy is exposed to investment, mortality, lapse and expense risks, which are shared within the RPLF, i.e. with other regular premium plans.

In determining the level of bonuses and non-guaranteed cash benefits that can be supported, the assets available to back the plan will be derived by accumulating the premiums paid at the actual rate of investment return less the cost of insurance, expenses incurred, commissions paid, taxes and other costs that may be incurred in managing the fund.

How are bonuses and non-guaranteed cash benefits smoothed over time?

As investment performance fluctuates over time, bonuses and non-guaranteed cash benefits are smoothed to ensure stable medium to long term returns on your policy. As a result, some of the investment returns in good years may not be distributed immediately so as to boost returns in years where the investment return is low. However, the effect of smoothing is intended to be neutral over time.

Non-guaranteed cash benefit

Prudential Singapore's bonus distribution policy is to keep the non-guaranteed cash benefit at a level that is expected to be sustainable over the long term. Thus, while the non-guaranteed cash benefit is usually reviewed annually, it is not expected to fluctuate from year to year. Nevertheless, it may be adjusted up or down under exceptional circumstances.

There is no non-guaranteed cash benefit declared yet as this 8th series plan was launched in 2021. Past performance is not necessarily indicative of future performance.

Performance Bonus

The performance bonus is reviewed at least annually. Under exceptional circumstances, the review may be more frequent. The performance bonus is more likely to change from year to year but Prudential Singapore's policy is to limit the yearly variation so that, under normal circumstances, the payout will not be subject to large fluctuations over the short term.

Performance Bonus rates declared for the past years are as below. Performance Bonus as a percentage of Face Value.

No. of completed years in force	Year of Declaration
	2021
0	-
1	2%

Past performance is not necessarily indicative of future performance.

What are the fees and charges imposed on this plan?

This plan shares in the experience of the fund. This means that any expenses incurred by the fund can be charged to the policy according to the risk-sharing rules described earlier.

Examples of such expenses include:

- Investment fees paid to fund managers for providing management services
- Mortality (death), accidental disability, lapse and surrender claims
- Marketing and other distribution-related costs
- Administration fees incurred in underwriting of new business
- Management and overhead expenses
- Commission fees paid to Prudential Financial Consultants or intermediaries

All expenses, including commissions, are shared and charged to the fund (assets backing the policy) according to the risk-sharing rules described earlier. For commissions, please refer to the Total Distribution Cost Table in the Policy Illustration for more information.

Please note that the charges described in this section will not be in the form of explicit fees or charges to you; it has already been allowed for in calculating your premium.

How will I be updated on the performance of my plan?

An Annual Bonus Update will be sent to you annually. This document aims to keep you informed of the performance of the fund, its future outlook and any changes in future non-guaranteed Cash Benefit or bonuses. Whenever there is a change in the non-guaranteed cash benefit or bonus rates, you will also receive an update from Prudential Singapore.

You may expect to receive the Annual Bonus Update after April of each year.

Please contact a representative of either Prudential Singapore or a distributor duly appointed by Prudential Singapore at any time if you wish to receive an updated policy illustration showing the illustrations of future non-guaranteed cash benefit and bonus based on Prudential Singapore's best estimate of the future performance of the participating fund.

Conflict of Interest:

Potential conflicts of interest arise in the allocation of expenses between the participating and other insurance funds. Over-allocation of expenses to the participating fund is detrimental to policyowners of participating policies. As such, Prudential Singapore strives to achieve a fair allocation substantiated by regular expense investigations.

Related Party Transactions:

The fund manager managing the entire assets of the fund is a related party to Prudential Singapore. The size of RPLF under management by Eastspring Singapore is S\$31,215 million as at 31 Dec 2021.

The Investment Committee ("IC") of Prudential Singapore has oversight responsibility for the activities of the fund managers to ensure that the transactions are carried out at arm's length. It is responsible for setting the mandates for day-to-day fund operation. The Asset & Liability Management Committee ("ALCO") of Prudential Singapore is responsible for setting the SAA and monitoring asset and liability matching.

The IC will also periodically review the investment fees charged by the fund managers, and advise Prudential Singapore accordingly. The Board of Directors ("Board") appoints the membership of the IC and ALCO. The Board will be responsible for reviewing and approving the IC and ALCO Constitution or Terms of Reference.

**Premiums:**

PRULifetime Income Premier III (SGD) is not a Medisave-approved policy and you may not use Medisave to pay the premium for this policy.

Exclusions:

There are certain conditions (such as death from suicide, special exclusions or special terms and conditions shown on your certificate of life assurance, or pre-existing conditions within 12 months from cover start date, or date of reinstatement (if any) under which no benefits will be payable. These are stated as exclusions in the policy document.

“Pre-existing Condition” is the existence of any signs or symptoms for which treatment, medication, consultation, advice or diagnosis has been sought or received by the life assured or would have caused an ordinary prudent person to seek treatment, diagnosis or cure, prior to the Cover Start Date or date of reinstatement (if any) of this benefit.

You are advised to read your policy document for the full details of these exclusions.

Note:

Life Insurance is a contract of utmost good faith and a proposer is required to disclose in proposal form fully and faithfully all the facts, which he knows or ought to know, as otherwise the policy issued may be void.

The terms and conditions of your policy are contained in your policy document.

Free Look Period:

After purchasing a life insurance policy, you have a 14-day free-look period - starting from the day you receive your policy documents to review the documents carefully. During this time, if you choose to cancel your policy, we will refund you the premiums you have paid (without interest), less any medical fees and other expenses, such as payments for medical check-ups and medical reports, incurred by us.

If we make your policy document and all other documents from us available electronically via PRUaccess, we consider they have been delivered and received when you receive the relevant SMS or email telling you that the documents are accessible on PRUaccess. Otherwise, we consider your policy and all other documents from us as delivered and received seven days from the date of posting to the last-known address you gave us.

If you decide this policy is not suitable for your needs, simply write to us within the 14-day free-look period.
